Motion to approve the annual appointments and designations as presented for 2022.

**REFERENCE AND BACKGROUND**

Minnesota Statutes require that certain appointments be made at the first meeting of each year. Attached you will find a list of the designations and appointments that have been compiled by city staff. Council liaison assignments, which are appointed by the Mayor and then considered for ratification by the City Council, are noted on the attached 2022 Annual Appointments listing included in the supporting data.

Included as an attachment is a general summary of the various commissions, committees, and organizations currently in operation that involve some level of participation from City Council, volunteer members, or city staff.

**Designations/Appointments:**

- a. **Acting Mayor:** Charlotte Gabler will serve as Acting Mayor.
- b. **City Attorney:** The firm of Campbell Knutson has served as the City’s general legal counsel with Joel Jamnik being the primary attorney for Monticello. The City also utilizes Kennedy Graven for legal services particularly in areas such as economic development (Monticello EDA). It is recommended to designate both firms in the capacity of City Attorney for 2022.
- c. **City Auditor:** The Finance Department has retained Abdo to perform audit services and the Council approved a contract with Abdo for auditing. Council should designate Abdo for the official 2021 audit.
- d. **City Depositories:** The city utilizes one bank to provide banking services for the City which is Wells Fargo. In addition, under Minnesota Statutes 239, the Chief Financial Officer has also been designated the authority to name other official depositories for

the purpose of investments. The motion would include the authorization for the Finance Director to designate other depositories when necessary for investment purposes only.

- e. **City Planner:** Northwest Associated Consultants has served as the City Planner for a number of years, with Steve Gritman providing direct services to the City. For 2022, city staff and the Planning Commission recommend that NAC continue to serve the City on day-to-day planning matters.
  - f. **Consulting Building Inspections:** The City will continue with its contract with Rum River Construction Consultants.
  - g. **Development Review Consultant:** WSB currently serves as the City's consulting engineer for development review and environmental review assistance, and it is recommended that they continue to provide this service for 2022.

  - i. **Financial Consultants:** The City Finance Director recommends continuing with Northland Securities as a financial advisor to the City. The City is very satisfied with the services provided by Northland Securities.
  - j. **Health Officer:** We recommend continuing with CentraCare Monticello as the designated health officer.
  - k. **Insurance Agent:** We recommend Foster-White as our general insurance agent for 2022. North Risk Partners is recommended for Workers Compensation insurance and liquor liability coverage (Hi-Way Liquors).
