I am just back from a few days out of the office.
First, congratulations on the new role at Cargill.

Subject: IEDC

Hi Sarah,
I wanted to reach out to you about the IEDC. Please let me know if you have a few minutes to talk.
My cell phone is [REDACTED] I have been working at the Monticello Cargill plant for the last 12 years but I recently accepted a regional role within Cargill and I will no longer be supporting the Monticello facility. I have spoke with my replacement (Liz Kokesh) and she would like to be considered to join the IEDC. I think it is important to have a Cargill representative on this committee and I believe she would be a great fit.

Take care,
Ryan
