Broadway Street (CSAH 75) Road Closure Notice

Monticello, MN – Meyer Contracting, Inc. has started work on the City of Monticello’s Downtown Roadway and Pedestrian Improvement project. **Starting August 28**, Broadway Street from Pine Street (TH 25) to Elm Street will be closed to through traffic. A detour route following Elm Street to 7th Street to Pine Street (TH 25) will be posted. Access to all businesses and residential properties will be maintained.

Starting September 5, a temporary signal at 4th Street and Pine Street (TH 25) will be operational and the posted detour will switch to follow Elm Street to 4th Street to Pine Street (TH 25).

The attached maps show the posted detour route and business access routes for both periods of time.

The detour is anticipated to last until late October, but timelines are subject to change during the project.

The City of Monticello will be posting updates for the project on our website and in our Downtown e-newsletter. You can also sign up for email and text message notifications for upcoming detours, road closures and more via our City Alerts program.
