News Release

March 23, 2021

County State Aid Highway (CSAH) 39/42 Construction Project Update

Work on Stage 2 of the CSAH 39 project in Otsego, between Odean & Page Avenue, is scheduled to begin the week of **April 12th**. The prime contractor on this project is Park Construction Company, Minneapolis MN. During construction, the project will be closed to thru traffic, which will be directed to use a posted detour route utilizing Nashua Avenue NE, 85th Street NE & Parrish Avenue NE (CSAH 42).

There will be some minor work to complete in Stage 1 of the project, from last year's construction, that will take place at different times during this year's work.

Proposed improvements include transforming the corridor from a rural two-lane section to a divided four-lane urban section; and constructing a roundabout @ Odean Avenue.

Most of the privately-owned utility companies relocated their facilities last year. There may be some minor activity this spring to complete all relocations.

The Wright County Highway Department greatly appreciates your patience during construction on this important improvement project. Questions or comments regarding this project can be directed to the Wright County Highway Department @ 763-682-7383. Business hours are Monday through Friday, 8:00 a.m. to 4:30 p.m.

click on "Notify Me" and enter your email address and click on the envelope symbol under "News Flash" for Highway Department. We will be posting a News Flash with updates on major project changes.

Proposed Schedule

The plan is to construct the improvements in two construction seasons (Stages 1 and 2).

Stage 1 - 2020

Beginning Spring, 2020, the contractor will construct the improvements from Page Avenue to Highway 42.

Traffic to the businesses around Highway 42 will be maintained at all times, while through traffic will be detoured. Businesses north of Highway 39 will have access from 101 to Highway 39. Businesses south of Highway 39 will have access from 101 to Highway 42.

The stage 1 area will be completed by Fall, 2020.

Stage 2 - 2021

Stage 2, which includes the construction from Page Avenue to Odean Avenue will begin Spring, 2021 and be completed Summer, 2021.

If you have questions about the project, please contact the Wright County Highway Department at **763-682-7383** or email:
